

CHAMPIONS FOR GIRLS

Campaign for Growth

of Memphis

All donors who make a gift to the Campaign for Growth will be acknowledged on donor walls located in our Girls Inc. of Memphis Centers. In addition, we offer the following naming and recognition opportunities for your consideration. For questions contact Lisa Moore at (901) 523-0217 or lmoore@girlsincmemphis.org.

PATRICIA C. HOWARD CAMPUS

GIRLS INC. OF MEMPHIS FRAYSER CAMPUS	SOLD \$2,000,000
THE STRONG, SMART AND BOLD LEARNING CENTER This new building is the heart of the campus and is where hundreds of girls ages 6-18 will gather year-round for the unique Girls Inc. Experience to equip girls to be strong, smart and bold.	\$1,000,000
THE FARM AND ORCHARD A six-acre farm and orchard is where girls will reap the rewards of growing healthy produce while engaging in social entrepreneurship, leadership and civic training with local leaders and through volunteer activities.	\$1,000,000
THE ADMINISTRATIVE OFFICE AND OUTDOOR PLAZA A dedicated office hub for our professional staff and volunteers who guide the curriculum development and oversight of all aspects of the Girls Inc. Experience throughout Memphis.	\$750,000
THE GATHERING PLACE This multi-use center of activities will house an indoor stage, large open meeting/activity room and a beautiful learning kitchen.	\$750,000
THE CELEBRATION LAWN This dedicated lawn for seating and gathering is surrounded by orchards and will be a hub of hope for our all-girl and community-wide gatherings and celebrations in the Frayser community.	\$500,000
THE GREENHOUSE This year-round greenhouse is essential to our farm's success—from spring seedlings to growing through the winter season, the Greenhouse expands our capacity to provide healthy food to our community year-round.	\$500,000

WITH YOU IN HER CORNER, SHE WILL WIN.

PATRICIA C. HOWARD CAMPUS

THE PROMENADE

Imagine a walkway, the main artery of the campus and farm, that will stretch 800 feet and serve as a connector for all visitors and participants. Everyone who enters will walk the promenade!

\$500,000

THE FARM STAND PLAZA AND ENTRY

A welcoming entry for all who enter our unique campus and a home for our farm stand for produce and product sales.

\$350,000

THE CELEBRATION STAGE

Located in the Celebration Lawn, this permanent stage will be a resource for our girls, residents and the greater community.

\$250,000

THE PERENNIAL GARDEN

Nearly two acres of seasonal sights and smells of fresh herbs and floral color in full bloom year after year. Join the butterflies and enjoy the view.

\$250,000

THE COMMUNITY ART WALL

The south side of the farm will be designed to have a rotating art wall that gives voice to girls and our neighbors and provides views into the Perennial Garden.

\$250,000

THE GREEN WALL

Bordering the northeast corner of the campus, this evergreen and living wall is a tribute to our unique farm.

\$250,000

THE TEACHING & LEARNING KITCHEN

This well-equipped kitchen will host girls, family members and community members for farm-to-table cooking instruction and experiences. Our staff and girls will instruct participants to embrace affordable and delicious healthy eating.

\$250,000

THE RECYCLE ZONE

This protected area will house an essential element of farming... compost. It is where we create the rich organic elements that provide nutrients to our soil for our plants to thrive.

\$150,000

WITH YOU IN HER CORNER, SHE WILL WIN.

I AM
NOT A
STATISTIC

All donors who make a gift to the Campaign for Growth will be acknowledged on donor walls located in our Girls Inc. of Memphis Centers. In addition, we offer the following naming and recognition opportunities for your consideration. For questions contact Lisa Moore at (901) 523-0217 or lmoore@girlsincmemphis.org.

PATRICIA C. HOWARD CAMPUS

THE HONEY HUT

This designated structure will house our campus beekeeping activities and honey processing.

\$100,000

THE OUTDOOR LEARNING LABS (multiple available)

These covered and permanent outdoor learning labs are spaced across the campus to support learning by providing shade and water facilities for the farm crew members and group members participating in farm-based programming.

\$100,000 (each)

THE STORAGE/COOLER/WASH STATION

This dedicated area supports the girls in harvesting, washing and storing the healthy produce they grow. Washing and storing the produce is an essential part of the farm and makes it possible to provide thousands of pounds of organically grown produce to the community.

\$100,000

THE PERENNIAL PATH

This winding path allows visitors and girls to have a beautiful healthy stroll through the Perennial Garden.

\$100,000

THE COMMUNITY'S GARDEN

These exterior raised-bed garden plots give the community a sense of agency in planting and growing healthy produce.

\$75,000

All donors who make a gift to the Campaign for Growth will be acknowledged on donor walls located in our Girls Inc. of Memphis Centers. In addition, we offer the following naming and recognition opportunities for your consideration. For questions contact Lisa Moore at (901) 523-0217 or lmoore@girlsincmemphis.org.

SOUTH PARK CENTER

SOUTH PARK CENTER

A destination for girls since the 1960s, South Park Center is being updated and renovated as well as redesigned to better represent the Girls Inc. Experience in the Sherwood Forest neighborhood. With the addition of our signature red porch, improved program spaces and enhanced outdoor learning lawn, South Park inspires girls to be strong, smart and bold.

\$1,000,000

MULTI-PURPOSE ROOM AND STAGE

This space is the literal center of all programming at South Park. From homework help to theatrical productions, this room and stage does it all!

\$250,000

THE FRONT PORCH

The new and improved welcoming entrance into the Girls Inc. Experience is our signature red Girls Inc. Porch. This welcoming entrance says, "you are strong, smart and bold... welcome!"

\$150,000

THE LEARNING LAWN

This new and improved lawn space provides a large outdoor learning area for girls that is inviting, safe and accessible.

\$100,000

CLASSROOMS (4)

Bright and state-of-the art, strong, smart and bold happens in these classrooms. Each of our four developmental stage age groups (6-8; 9-11; 12-14; 15-18) have their own designated space to call their own.

\$50,000 (each)

THE LEARNING GARDEN

These raised-bed gardens provide a learning lab for South Park girls (and their families) to learn to grow, harvest and prepare healthy foods. Produce from the learning garden is integrated into afterschool and summer snacks and meals.

\$25,000

SOUTH CITY CENTER

SOUTH CITY CENTER

Our newest center, South City Center is part of the South City neighborhood redevelopment and will be a highly desired destination for girls to unlock their strong, smart and bold.

\$1,000,000

THE COMMUNITY PLAZA & ENTRY

This unique entrance takes our welcoming entrance into the Girls Inc. Experience, our signature red Girls Inc. Porch, to a whole new level. This 60,000-square-foot covered patio not only welcomes girls saying, "you are strong, smart and bold... welcome!" it also provides for outdoor learning, celebrating, and a gathering place for girls, families and community.

\$500,000

THE CELEBRATION ROOM & STAGE

This space is the literal center of all programming at South City. From homework help to theatrical productions, this room and stage does it all! This very large space with the capacity for hundreds to gather together will be a hub of learning and celebrating for all of South City.

\$350,000

THE TEACHING & LEARNING KITCHEN

This well equipped commercial kitchen will host girls, family members and community members for farm-to-table cooking instruction and experiences. Our staff and girls will instruct participants to embrace affordable and delicious healthy eating. With this facility being commercial kitchen equipped, it increases our capacity to expand the youth farm social enterprise to include product production.

\$250,000

CLASSROOMS (5)

Bright and state-of-the art, strong, smart and bold happens in these classrooms. Our four developmental stage age groups and expanded programming with "opportunity youth" girls (6-8; 9-11; 12-14; 15-18 opportunity youth), each have a designated space to call their own.

\$50,000 (each)
